## Core Page Features

### Homepage (index.html)

The central hub for current information:

- **Park Status:** Visual indicator of whether the park is currently open or closed.
- **Quick Contact:** A dedicated header showing the park's contact number (+92 213 256).

### Home Tab

#### Purpose:

The **Home** tab redirects users to the main landing page of the website.

#### Functionality:

- When clicked, the page scrolls or redirects to the homepage.
- Displays featured content, hero banner, and main highlights.

#### User Action:

Click on **Home** to return to the main page

## Carousel

### CAROUSEL SECTION

#### ◊ Overview

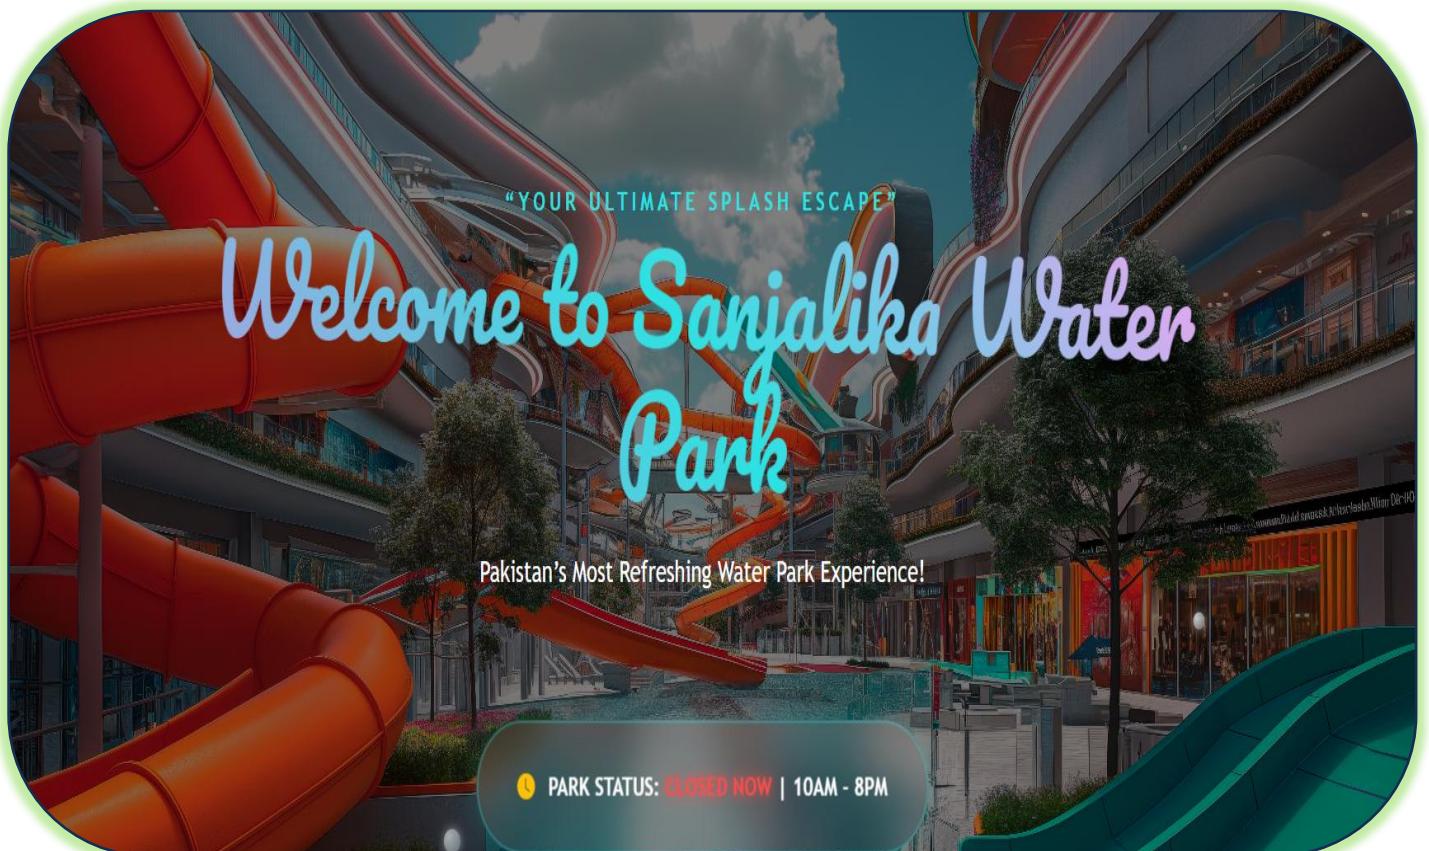

The **Carousel** is a rotating banner slider displayed below the Navbar.

It highlights key attractions, promotions, or announcements.

#### ◊ Carousel Structure

The Carousel contains:

- Multiple Slides (Images or Videos)
- Caption Text
- Navigation Arrows
